

The HKIE Young Engineers Arthur & Louise May Memorial Scholarship 2023/24

Call for Application

Aims and Objectives

The Scholarship is solely funded by "The Arthur and Louise May Memorial Fund" managed by the HSBC Trustee. It aims to encourage and support young engineers aged under 35 to further their education abroad for the benefit of the engineering profession and the local community at large. The Scholarship also supports those who are planning to attend professional development workshop organised by government departments, reputable public and professional bodies overseas and in Mainland China. It is expected that the awardees will commit themselves to contributing to the engineering industry in Hong Kong after the completion of their studies.

The Scholarship

Depending on the nature and duration of the education course or professional development workshop, a scholarship will be awarded to suitable candidate(s) for pursuing further education, including Non-degree granting courses (between one week to six months) and post-graduate degree granting courses, and attending professional development workshops (not less than one week) organised by government departments, reputable public and professional bodies, both overseas and in Mainland China. Preference would be given to practising engineers.

The ceiling of each successful application is HK\$400,000. The scholarship shall cover the tuition fee of the course or the fee of the professional development workshop, a return air ticket (economy class)/ high speed rail ticket (second class) and living expenses, paid in two instalments.
