

# The UNSDGs E-Booklet COVER DESIGN COMPETITION

*Champion & Contribute to the Sustainability Cause – with a Compelling Design*

Submission by 5pm, 31 Dec 2024 to [unsdgs.competition@hkie.org.hk](mailto:unsdgs.competition@hkie.org.hk)

The Hong Kong Institution of Engineers (HKIE) invites all creative minds to submit entries to the Cover Design Competition for the United Nations Sustainable Development Goals (UNSDGs) e-Booklet currently under our development. The e-Booklet aims to raise awareness of the UNSDGs' importance and highlight how Hong Kong engineers contribute to them through projects, services, and technologies. Through this Competition, we seek to engage key stakeholders in creating a captivating cover art capable of furthering these goals.

The design should capture the essence of the UNSDGs and demonstrate their relevance to engineering and society.

An idea must be taking shape in your mind. Lend it to our common cause.

## Enquiries
